## Last week...

We absolutely loved our story "We're going on a bear hunt". We went on a bear hunt ourselves into the woods to explore what we could find. It was a bit chilly so it was the perfect opportunity to sit down and have a nice cup of hot chocolate - the children thoroughly enjoyed this as a special treat.

We also loved our craft table this week and used lots of junk modelling to make different creations.

## Important things to bring to Pre-School

There is a big emphasis in the revised EYFS for oral health and healthy eating, it would be great if you could check your child's lunch to ensure it is a well-balanced meal and as healthy as possible.

We go outside in all weather, so please be prepared with suitable clothing. Could your child have some spares in their bag just in case we get wet and muddy outside too?

## Sound of the week

We incorporate sound of the week within show and tell so please could your child bring in one thing beginning with F to share with us all. This is where we will concentrate on correct speech formation and initial sound recognition

## Number of the week

Our number of the week will be 2. We will be looking at number recognition and representing 2 using both objects and mark-making

## Next week...

We will be looking at a variety of different books as our theme of the week will be "People who help us". We have a super exciting visit on Monday from a police officer - He will talk to the children about how the police help and answer any questions the children may have.

If any parents have roles within the fire, ambulance, doctor or dentist sector or know anyone, it would be amazing if we could have more visits!

Tick-off '**50 fantastic things**' for you and your child to experience together.

'50 Things To Do Before You're Five' gives you 50 simple, fun activities that parents, and carers can take part in with their children.

Each of the '50 Things' have been carefully developed by education experts and early years practitioners following consultation with parents.

They have made sure that children with special educational needs are included and that each of the '50 Things' means something across our culturally diverse communities.

Please follow the link below which shows how to download the app onto your phone.

We highly recommend it.
