

This week..

The children have thoroughly enjoyed our new sand pit this week, we followed the children's lead and made a construction tray which the children used diggers and tractors to scoop the sand up with.

Our book of the week was "The very hungry caterpillar" We made our very own pizzas with foods that the caterpillar ate himself. We decorated some CDs with glitter, paint and tissue paper to hang outside so we can see the sun reflecting and also made our own caterpillars out of play doh.

Next week

Our book of the week will be "Up down and around". This book is all about how we plant and grow our very own foods. We will be attempting to grow our own cress as well as planting flowers and fruit. We will also be using natural resources to use as paint sticks to identify the different patterns each of them make,

Sound of the week

Show and tell will now be incorporated within our sound of the week, so please could your child bring something in beginning with the sound "W" to share with us this week. This is where we will concentrate on correct speech formation and initial sound recognition

Show and Tell. This week show and tell will be Monday and Thursday, Please can we ask that toys only come in on this day.

Non-school risers

We will be developing our listening and attention skills by doing "What's in the Box" and adult led grouped games.

School risers.

Our older children will be doing some addition equations from 1-5 as well as practising the letters in our names using templates and white boards.
