

This week...

The children loved the book 'The Runaway Pea'. It opened up lots of learning opportunities and discussions about healthy eating and an interest in cleaning teeth and role playing dentists.

We experimented with ice every day, freeing the frozen peas, melon, lemons and oranges which added an extra sensory element to our play.

But it was the sprinkler and amazing weather that we loved the most. Our mornings and afternoons spent running through the water, splashing and laughing with our friends. We enjoyed a special treat of ice pops too!

Next week

Next week we will be reading 'Our class is a family' by Shannon Olsen. We will explore friendships through discussions, role play and crafts as well as following the interests of the children.

Sound of the week

Show and Tell will now be incorporated within our sound of the week, so please could your child bring something in beginning with the sound "W" to share with us this week. This is where we will concentrate on correct speech formation and initial sound recognition

This week Show and Tell will be Monday and Friday, Please can we ask that toys only come in on these days.

Sports day

We are practising our sports day races throughout week.

Remember that sports day is 10th July at 11am

School risers

We will continue to challenge the children with using letter resources and letter mats to encourage mark making and sound recognition.
