Last week...

We expanded our taste buds and really enjoyed trying different fruits whilst having our afternoon story. The children were brilliant and even though apprehensive about certain fruits they still gave them a try.

We have explored numbers 1-5 and looked at the quantities of each number using tweezers to identify the selected number of pompoms to put them into the correct number bowl. This helped our hand-eye coordination and fine motor skills.

Important things to bring to Pre-School

A healthy snack, water bottle and lunch (labelled).
We go outside in all weather so please be prepared with suitable clothing/suncream; weather depending.
We have spare wellies and clothes for the children if needed.

Sound of the week

We would love to bring back 'show and tell', we will incorporate this within our sound of the week so please could your child bring one thing in beginning with T to share with us all. This is where we will concentrate on correct speech formation and initial sound recognition

Number of the week

Our number of the week will be 3. We will be looking at number recognition and representing 3 using both objects and mark-making.

Next week...

Our book of the week will be 'A squash and a squeeze'. We will be looking at the rhyming repetition and the similarities between the words.

We will be using the left over fruit from our activity last week to make our own fruit salad, we will be using child friendly knives to encourage the children to cut their own fruit. We will be sending these home for the children to enjoy with you.

Wish List

- Old flowers
- Train/Bus tickets
- Real Tea set/crockery

As we are sure you are aware Pre-School is a charity and relies in part on the goodwill of our families' support, for which we are very grateful. To further improve the provision for your children there are a few things we are looking for. We do not want you to purchase anything but if you have things from our wish list that are destined for the recycling, compost or a charity shop, it would be gratefully received at Pre-School
