Last week...

We really enjoyed playing in the mud kitchen, the children were role playing making food for their pets, babies and families.

We made paper plate pigs to go inline with our book of the week "a squash and a squeeze" these will be coming home for you all to see.

The children made fruit salad using the left over fruit. They absolutely loved being able to cut up the fruit independently and being able to choose what fruit they would like. This is something we will definitely do again.

Important things to bring to Pre-School

There is a big emphasis in the revised EYFS for oral health and healthy eating, it would be great if you could check your child's lunch to ensure it is a well-balanced meal and is as healthy as possible.

We go outside in all weather so please prepared with suitable clothing. We have spare wellies and spare clothes for the children if needed.

Sound of the week

we incorporate sound of the week within show and tell so please could your child bring one thing in beginning with S to share with us all. This is where we will concentrate on correct speech formation and initial sound recognition

Number of the week

Our number of the week will be 4. We will be looking at number recognition and representing 4 using both objects and mark-making.

Next week...

Our book of the week was chosen by a child, they have asked that it be "Alan's big scary teeth" – this book talks about kindness and emotions.

We will be doing activities and crafts around our book of the week and will be discussing different emotions and how we feel.

We will also be talking and doing activities about oral health and how important it is to keep our mouths clean!

Please can we ask that all children's lunch boxes, snack pots, drinks bottles and clothing are clearly labelled to avoid them being misplaced. It also helps us understand whose snack is whose as it's not always clear. We do have a child allergic to a certain fruit, so it is vital we are extremely careful.

We would like to direct you to our website elsworthpreschool.org where we have information on our new curriculum that began on 6th September. It is designed to enable all children to develop in each area of learning at the right pace for them and is based on activities that cover all areas of the Early Years Foundation Stage (EYFS). We aim to provide more information over the coming weeks.

Wish List -

- Real Tea set/Crockery
- Paper plates

As we are sure you are aware Pre-School is a charity and relies in part on the goodwill of our families' support, for which we are very grateful. To further improve the provision for your children there are a few things we are looking for. We do not want you to purchase anything but if you have things from our wish list that are destined for the recycling, compost or a charity shop, it would be gratefully received at Pre-School.
