

Pre-School sessions

March 2024

At Elsworth Pre-School we aim to provide sessions that provide early years education and care at timings to support our families' needs whilst balancing the provision that we can offer as a village pre-school. We review our session times regularly and welcome feedback from parents and carers to inform us of changing needs.

Our Pre-School sessions are:

Session	Cost
Breakfast club: 8am – 8.55am	£6.50 per child including breakfast. £1.50 cost for breakfast if funding is used.
Morning session: 8.55am – 11.55am	2-year-olds £20 per session* 3+ year-olds £17.50 per session*
Afternoon session: 11.55am – 2.55pm	*if funding is not used.

We ask for 4 weeks' notice of changes to main sessions and 7 days' notice for changes to breakfast club so that we can ensure that every session is staffed adequately to ensure safe and quality provision at all times.

We will always try our best to accommodate your needs at short notice and aim to be as flexible as possible as we understand family needs change.
