

This week..

We absolutely loved our visit to Franks Farm for Lunch on Monday. The children ordered their lunch and waited patiently for it to be served. We can't wait to go back another time.

Our Plants are growing beautifully with all the rain we are having. We have enjoyed using our herbs and plants to make perfumes and potions whilst practising using our scissors safely outside.

Following the children's interests we have experimented with coloured water using our water tubes and guttering. Inside we have used water colours to mix, create and express our ideas.

Next week

Our book of the week will be 'I am absolutely too small for school' by Lauren Child. We have already started to role play schools and the children have loved trying on school uniforms.

Sound of the week

Show and Tell will now be incorporated within our sound of the week, so please could your child bring something in beginning with the sound "D" to share with us this week. This is where we will concentrate on correct speech formation and initial sound recognition

This week Show and Tell will be Monday and Wednesday, Please can we ask that toys only come in on these days.

Sports Day

We will be playing lots of games that will help us to prepare for Sports Day.

Family Photos

We would love to continue to receive photos of your family for the children to share with their friends.
