

This week..

We have had a super week at preschool. The drier weather has allowed for lots of outside play. We have spent time in the mud garden and have found lots of bugs to observe. We have also enjoyed our outdoor equipment like the stilts and spinning seats, practising our balancing and gross motor skills.

We have started to display our family photos and the children have already drawn some wonderfully detailed pictures of their families. We finished the week with a much-needed visit to our beautiful forest. We noticed how much it had changed and were pleased that some the stingers had been cut down. We finished with a trip to the park, it was fabulous to see the children helping and encouraging their friends on the equipment.

Next week

Next week we will be reading 'The Colour Monster' by Anna Llenas where we will learn about emotions and explore our emotions resources.

Sound of the week

Show and Tell will now be incorporated within our sound of the week, so please could your child bring something in beginning with the sound "C" to share with us this week. This is where we will concentrate on correct speech formation and initial sound recognition

This week Show and Tell will be Monday and Thursday, Please can we ask that toys only come in on these days.

Group Games

We will be focusing on games that promote sound recognition and mark making.

Family Photos

We would love to continue to receive photos of your family for the children to share with their friends.
